

# ABACO MACHINES USA

**THE BACKBONE OF THE STONE AND GLASS INDUSTRIES**

## Glass Lifter

- Fully automated clamping jaws
- Four lower wheels protect glass
- Four upper wheels create pressure on glass and serve as guides
- Vulcanized rubber increases width and protects glass
- Light and compact design

**AGL-28**

Warning: For all Abaco lifting products follow the manufacturer's specifications for stone thickness, grip range, and W.L.L. when choosing the appropriate lifter. When using an Abaco lifting product, follow all safety instructions and processes found in the product's manual.

SPECIFICATIONS
